

Baltic Circle ry

Address

Best supplier,

Invoicing address of Baltic Circle ry will change. You can find our new invoicing address from a table below.

Please notice that you are allowed to send **only invoices** to mailbox address. You cannot use it for a delivery of goods or advertising etc.

Email invoices must contain only one invoice and its attachments as a **merged PDF attachment file**

We hope that you will also start using **eInvoicing**. You can also send us invoices that comply with the European standard (EN16931). E-invoicing that complies with the European standard enhances the automation of invoice processing and the utilization of data. Our eInvoicing address and intermediary ID is found from a table below.
